THE TRADITIONAL DUPLEX COLLECTION

The Churchill

DUAL OCCUPANCY DUPLEX • 20M × 31.5M LOT

The Churchill is a duplex of enduring character and remarkable depth, where two fully realised family residences unfold across two generous storeys with the warmth and completeness of homes conceived entirely without compromise. Each residence layers living spaces, entertaining areas, and private retreats with an ease and abundance that speaks to a design of genuine lifestyle ambition, one that understands instinctively how families live, gather, and find solace. Above, a first floor of quiet authority reveals bedroom sanctuaries, ensuites, and sweeping balconies that elevate the everyday into something far more considered and enduring. Wholly independent and rich in every detail that transforms a house into a home.
