The *Lumina*

HOUSE + GRANNY FLAT • 16M × 30M LOT

The Lumina is a double-storey family home where space is used with purpose and intention. The ground floor centres around an open-plan family, dining, and kitchen zone that spills out to dual alfresco areas — a rare feature that makes outdoor living as effortless as indoor. A separate lounge and additional living room offer quiet retreats away from the main activity of the home. Upstairs, five bedrooms are arranged with care, including a main bedroom with its own walk-in robe, and an upper living area that gives the floor its own sense of independence. The Lumina is a home that handles the full spectrum of family life, from the busy to the quiet.

MAKE IT YOURS

A starting point, *not a fixed plan.*

Every Meadan home is fully customisable. The Lumina is a considered base design — from here we partner with you to shape it around your block, your lifestyle and your budget.

HOW CUSTOMISING WORKS

01**Start with the brief**

Sit down with our team to talk through how you live, then shape the design around your land, lifestyle and budget.

02**Choose your facade**

Select from the signature frontages for this collection on the back page — or work with us to design your own.

03**Adjust the layout**

Add a fifth bedroom, extend the alfresco, reconfigure living zones or reverse the plan to suit your orientation.

04**Curate the finishes**

Work through kitchen, bathroom, flooring and material selections with us in the Castle Hill showroom.

FACADE OPTIONS

Choose your *frontage*.

The Lumina is offered in a range of signature facades, each fully customisable to suit your street.

**MODERN**

Rendered forms, natural stone and a flat skillion roofline.

**MODERN COASTAL**

White weatherboard, stone and a relaxed coastal character.

**COASTAL**

Dark cladding, render and crisp contemporary lines.

**MODERN MEDITERRANEAN**

Curved render, natural stone and graceful arched windows.

**CLASSIC**

Render with elegant proportions and arched glazing.

**MODERN PROVINCIAL**

Soft render, classical cornice and arched feature windows.
