The *Seacrest*

DUAL OCCUPANCY DUPLEX • 20M × 40.5M CORNER LOT

The Seacrest is a sophisticated corner lot duplex that masterfully delivers two complete, full-size family homes within a single, architecturally considered design. Spanning two generous storeys, each residence enjoys its own private entry, spacious open-plan living, multiple bedrooms, and seamless indoor-outdoor entertaining areas. Both homes are thoughtfully laid out to separate everyday living from peaceful sleeping quarters above, creating a natural sense of space and privacy. Designed to make the most of its corner position, the Seacrest presents a confident street presence from every angle.

MAKE IT YOURS

A starting point, *not a fixed plan.*

Every Meadan home is fully customisable. The Seacrest is a considered base design — from here we partner with you to shape it around your block, your lifestyle and your budget.

HOW CUSTOMISING WORKS

01

Start with the brief

Sit down with our team to talk through how you live, then shape the design around your land, lifestyle and budget.

02

Choose your facade

Select from the signature frontages for this collection on the back page — or work with us to design your own.

03

Adjust the layout

Add a fifth bedroom, extend the alfresco, reconfigure living zones or reverse the plan to suit your orientation.

04

Curate the finishes

Work through kitchen, bathroom, flooring and material selections with us in the Castle Hill showroom.

FACADE OPTIONS

Choose your *frontage*.

The Seacrest is offered in five signature facades — Modern, Mediterranean, Classic, French Provincial and Coastal — each fully customisable to suit your street.

**MODERN**

Rendered cubic forms, black-framed glazing and a flat roofline.

**MEDITERRANEAN**

Curved render, natural stone and graceful arched windows.

**CLASSIC**

Gabled rooflines with mixed brick and crisp white detailing.

**FRENCH PROVINCIAL**

Soft render, iron balustrades and elegant arched openings.

**COASTAL**

White weatherboard gables, curved balcony and stone detailing.
