— THE TRADITIONAL DUPLEX COLLECTION

The *Whitmore*

DUAL OCCUPANCY DUPLEX • 39.49M × 30.3M LOT

The Whitmore is a duplex of rare ingenuity and bold architectural vision, conceived specifically to unlock the full potential of uniquely shaped blocks that conventional designs simply cannot resolve. Where others see constraint, the Whitmore finds opportunity, its dynamic, asymmetric form stepping and angling across the site to capture light, maximise space, and deliver two residences of genuine completeness and character that feel anything but compromised. Each home unfolds with an openness and generosity that belies the complexity of its footprint, flowing from expansive living spaces to private outdoor sanctuaries and upper floor retreats of quiet luxury and lasting appeal.

MAKE IT YOURS

A starting point, *not a fixed plan.*

Every Meadan home is fully customisable. The Whitmore is a considered base design, from here we partner with you to shape it around your block, your lifestyle and your budget.

HOW CUSTOMISING WORKS

01**Start with the brief**

Sit down with our team to talk through how you live, then shape the design around your land, lifestyle and budget.

02**Choose your facade**

Select from the signature frontages for this collection on the back page, or work with us to design your own.

03**Adjust the layout**

Add a fifth bedroom, extend the alfresco, reconfigure living zones or reverse the plan to suit your orientation.

04**Curate the finishes**

Work through kitchen, bathroom, flooring and material selections with us in the Castle Hill showroom.

FACADE OPTIONS

Choose your *frontage*.
