The Alderton

HOUSE + GRANNY FLAT • 14M × 32M LOT

The Alderton is a single-level family home where considered design meets genuine liveability. Living spaces are generous and well-connected, anchored by a kitchen that sits at the centre of daily life. Private bedroom zones are thoughtfully separated from the main living areas, creating a natural sense of retreat within the home. The self-contained granny flat offers a rare level of flexibility, a completely independent living option that opens the door to multigenerational living or additional income. Crafted for families who want a home that works today and grows with them tomorrow, the Alderton is a home you won't outgrow.

MAKE IT YOURS

A starting point, *not a fixed plan.*

Every Meadan home is fully customisable. The Alderton is a considered base design, from here we partner with you to shape it around your block, your lifestyle and your budget.

HOW CUSTOMISING WORKS

01**Start with the brief**

Sit down with our team to talk through how you live, then shape the design around your land, lifestyle and budget.

02**Choose your facade**

Select from the signature frontages for this collection on the back page, or work with us to design your own.

03**Adjust the layout**

Add a fifth bedroom, extend the alfresco, reconfigure living zones or reverse the plan to suit your orientation.

04**Curate the finishes**

Work through kitchen, bathroom, flooring and material selections with us in the Castle Hill showroom.

FACADE OPTIONS

Choose your *frontage*.

The Alderton is offered in a range of signature facades, each fully customisable to suit your street.

**MODERN**

Rendered forms, natural stone and a flat skillion roofline.

**MODERN COASTAL**

White weatherboard, stone and a relaxed coastal character.

**COASTAL**

Dark cladding, render and crisp contemporary lines.

**MODERN MEDITERRANEAN**

Curved render, natural stone and graceful arched windows.

**CLASSIC**

Render with elegant proportions and arched glazing.

**MODERN PROVINCIAL**

Soft render, classical cornice and arched feature windows.
