The Haven

HOUSE + GRANNY FLAT • 15.24M × 36.58M LOT

The Haven is a double-storey home designed for families who need room to spread out without sacrificing connection. On the ground floor, a butler's pantry and generous kitchen anchor the open living and dining zone, with an alfresco extending the space outward. A self-contained wing with its own living, kitchen-dining, bedroom, and bathroom adds exceptional versatility, suited to extended family, guests, or a private home office setup. A dedicated media room and guest bedroom round out a ground floor that anticipates every occasion. Upstairs, five bedrooms include a master retreat with ensuite and walk-in robe, a rumpus room for the kids, and a second ensuite, delivering the kind of space that keeps a busy household running smoothly. The Haven lives up to its name.

MAKE IT YOURS

A starting point, *not a fixed plan.*

Every Meadan home is fully customisable. The Haven is a considered base design, from here we partner with you to shape it around your block, your lifestyle and your budget.

HOW CUSTOMISING WORKS

01 Start with the brief

Sit down with our team to talk through how you live, then shape the design around your land, lifestyle and budget.

02 Choose your facade

Select from the signature frontages for this collection on the back page, or work with us to design your own.

03 Adjust the layout

Add a fifth bedroom, extend the alfresco, reconfigure living zones or reverse the plan to suit your orientation.

04 Curate the finishes

Work through kitchen, bathroom, flooring and material selections with us in the Castle Hill showroom.

Choose your *frontage*.
