The *Ironbark*

DOUBLE-STOREY HOME • 16M × 26M LOT

The Ironbark Home Design is a home of genuine soul and sweeping generosity, one that has been thoughtfully shaped around the full richness of family life. Across two beautifully considered levels, spaces for gathering, celebrating, reflecting, and retreating flow with a natural ease that feels both intentional and deeply personal. A dedicated prayer room speaks to a home that honours what matters most, while expansive living and entertaining areas set the stage for a life shared with those you love. Upstairs, five beautifully appointed bedrooms offer every family member a private world of their own. The Ironbark is a home that doesn't just accommodate a family, it understands one.

MAKE IT YOURS

A starting point, *not a fixed plan.*

Every Meadan home is fully customisable. The Ironbark is a considered base design, from here we partner with you to shape it around your block, your lifestyle and your budget.

HOW CUSTOMISING WORKS

01 Start with the brief

Sit down with our team to talk through how you live, then shape the design around your land, lifestyle and budget.

02 Choose your facade

Select from the signature frontages for this collection on the back page, or work with us to design your own.

03 Adjust the layout

Add a fifth bedroom, extend the alfresco, reconfigure living zones or reverse the plan to suit your orientation.

04 Curate the finishes

Work through kitchen, bathroom, flooring and material selections with us in the Castle Hill showroom.

FACADE OPTIONS

Choose your *frontage*.

The Ironbark is offered in four signature facades: Modern, Mediterranean, Classic and French Provincial, each fully customisable to suit your street.

Rendered forms, natural stone and a flat skillion roofline.

**MODERN COASTAL**

White weatherboard, stone and a relaxed coastal character.

**COASTAL**

Dark cladding, render and crisp contemporary lines.

**MODERN MEDITERRANEAN**

Curved render, natural stone and graceful arched windows.

**CLASSIC**

Render with elegant proportions and arched glazing.

**MODERN PROVINCIAL**

Soft render, classical cornice and arched feature windows.
