The *Tilley*

DUAL OCCUPANCY DUPLEX • 25M × 35M CORNER LOT

The Tilley is a corner lot duplex of exceptional scale and ambition, delivering two substantial family homes of a calibre that transcends the expectations of dual occupancy entirely. Commanding its corner position with rare architectural authority, each residence unfolds across two expansive and masterfully considered storeys with the confidence and grandeur of a luxury standalone home. Generous open-plan living and dining, dedicated study spaces, alfresco entertaining, and an abundance of bedrooms come together in a design that accommodates the largest of families without a single concession. The Tilley does not simply occupy a corner, it defines it, setting a new and uncompromising standard for what dual occupancy can and should be.

MAKE IT YOURS

A starting point, *not a fixed plan.*

Every Meadan home is fully customisable. The Tilley is a considered base design, from here we partner with you to shape it around your block, your lifestyle and your budget.

HOW CUSTOMISING WORKS

01 Start with the brief

Sit down with our team to talk through how you live, then shape the design around your land, lifestyle and budget.

02 Choose your facade

Select from the signature frontages for this collection on the back page, or work with us to design your own.

03 Adjust the layout

Add a fifth bedroom, extend the alfresco, reconfigure living zones or reverse the plan to suit your orientation.

04 Curate the finishes

Work through kitchen, bathroom, flooring and material selections with us in the Castle Hill showroom.
