The *Valerie*

HOUSE + GRANNY FLAT • 14.2M × 32.52M LOT

The Valerie is a double-storey family home that balances generous communal living with well-considered private spaces. The ground floor revolves around a central kitchen flanked by two distinct living and dining zones, giving the home an easy adaptability for both quiet evenings and larger gatherings. A self-contained wing with its own kitchen, bedroom, laundry, and private porch entry adds a rare layer of flexibility, equally suited to extended family, long-term guests, or rental income. A study, separate lounge, and pantry round out a ground floor that has thought through the practical realities of family life. Upstairs, four further bedrooms are arranged around an upper living area, with the main bedroom enjoying its own ensuite and walk-in robe. The Valerie is a home with room for everyone and a place for everything.

Sit down with our team to talk through how you live, then shape the design around your land, lifestyle and budget.

02**Choose your facade**

Select from the signature frontages for this collection on the back page, or work with us to design your own.

03**Adjust the layout**

04**Curate the finishes**

Work through kitchen, bathroom, flooring and material selections with us in the Castle Hill showroom.
